With the season soon coming to a close, you might be thinking about where you want store the boat for the winter. We hope you trust Happy Days Boating Company to meet those needs.

Enclosed is a winter storage/winterization contract for this season. Should you decide to store your boat with us or simply just need us to winterize your boat, please read the information below.

1. Review the contract and fill in any missing or incorrect information. You must **SIGN** the contract and **INCLUDE** a credit card number for all billing purposes (SEE #6). Fill in the **REQUIRED** insurance information at the bottom of the form as insurance is a **MUST** for any boat stored on the premises.
2. Indicate if you would like the boat to be stored either inside, outside wrapped, or outside unwrapped. The cost for inside/bare storage is the same price as outside/wrapped storage. Shrink wrapping is available at an additional cost if you prefer your boat to be inside and shrink wrapped. Our inside storage is NOT HEATED. If you are interested in heated storage, contact Mirror Image at 419-732-0777 for pricing and availability (your boat could possibly remain Happy Days premises if you request as such).
3. Indicate how your boat will be received for storage (you deliver it to us on your trailer, you deliver it to our marina and we use your trailer, or we pick it up at our marina with our trailer). There will be an additional charge for boats picked up at a location other than our marina. **Call the service department for a quote as these rates have increased. Also note that there will be an additional charge if your boat requires hoisting.**
4. Mark all winterization work or other work that you would like to be done by Happy Days. If you have not marked for your boat to be winterized, and upon further inspection we determine that it has not been done, we will do a basic winterization of your boat and you will be charged for the work. However, **DO NOT ASSUME** that we are going to do this. If you are doing your own winterization, please note as such. We do not have pump out services on location, so if you require this to be done, there will be an additional charge of \$100.00.
5. Return **ALL PAGES** of the contract. You will get a copy of the repair order invoice once the work is completed.
6. The form **must be returned with a minimum deposit of 50% to hold your spot. However, if you choose to pay in full for the storage, you will receive a 5% discount (this discount DOES NOT apply to winterization costs!** You will not be guaranteed a spot for storage unless the deposit is received. Because inside storage fills up quickly and is on a first come first served basis, it's best to get your contract and payment in as soon as possible. **WINTERIZATION WORK AS WELL AS ANY ADDITIONAL WORK YOU MAY HAVE REQUESTED ARE DUE 30 DAYS FROM THE INVOICE DATE. STORAGE WILL BE INVOICED SEPARATELY AND SHOULD BE PAID IN FULL BY NOVEMBER 30th.** Any outstanding balances will be charged to your credit card if not paid within the above time periods. There will be 2% credit card processing fee for amounts charged up to \$2500. A 3% processing fee will be assessed to amounts over \$2500 being charged on a credit card. **(THESE FEE'S DO NO APPLY TO STORAGE, ONLY WINTERIZATION)**
7. PRO TOPS CANVAS is a separate vendor from Happy Days Boating. If you are in need of canvas work, please contact them directly. Their phone number is 419-573-9861. We are not responsible for any work provided by PRO TOPS CANVAS. You are also not required to use them, as you are free to use any canvas provider of your choosing.
8. Please be as precise as possible when listing your Spring launch date. This will determine your placement inside the storage building. For example, if you mark a launch date of April 1st, your boat may be placed in front of one that is marked for a later date, and vice versa. If you call and want your boat earlier than the launch date, we cannot guarantee that we can get to it. Please give as much of a notice as possible if you are going to need this done, with a minimum of 10 days.

Call the service department to let us know when you will be bringing your boat in for storage. **If you are leaving the boat at our service docks or at your dock in our marina, you will especially need to let us know it is there so it can be picked up in a timely manner.** Leave your keys in the boat or drop them off at our service center.

BOATS MUST BE BROUGHT IN FOR STORAGE NO LATER THAN NOVEMBER 1st, unless other arrangements have been made with the service dept. Any boat that is pulled after this date will be subject to a late fee of up to 50% of the storage cost.

Please contact us with any questions you may have. We look forward to servicing your boating needs.

Thank you!
